

WHY:

WHY VOLUNTEER?

In fulfilling its duty to ensure the protection and promotion of intellectual property rights, the Optical Media Board monitors theaters/cinemas nationwide for camcording activities.

OMB agents, deputized agents and volunteers are tasked to keep a keen eye out for violators of the Republic Act 10088 or the "Anti-Camcording Act of 2010" most especially during the MMFF season. The presence of OMB in these cinemas strongly demonstrate its role as vanguards of Intellectual Property Rights and in effect block the source of pirated materials both in the market and online.

WHAT YOU CAN DO AS A VOLUNTEER

"We have to do what we can to help wherever and whenever it is possible for us to help." — Jackie Chan

Monitor: During cinema monitoring, you are tasked to watch out for camcorders. If you have identified a possible movie pirate, take note of the customer's seat, inform the theatre manager and security office immediately.
